The Department proposes to amend Subchapters 1, 37 and 39 to accommodate the new definition for Volatile Organic Compounds (VOC) contained in 40 CFR 51.100(s). Section 252:100-1-3 is also being amended to incorporate definitions associated with the revisions for New Source Review (NSR). The Department will request that the council take no action on

this proposal at this time so that staff may continue discussions with the Environmental Protection Agency regarding the new definition for VOC.

1. Presentation – Max Price
2. Questions and discussion by Council/Public

**Proposed amendments to VOC rules were withdrawn by staff.**

**D. OAC 252:100-8. Permits for Part 70 Sources Parts 1, 5, 7 and 9 [AMENDED]**

The Department proposes to amend Subchapter 8 to incorporate the Environmental Protection Agency's revisions to the NSR permitting program under the Federal Clean Air Act. The proposed amendments include revisions to the method of determining if a modification to an NSR source is a major modification and include Plantwide Applicability Limitations (PALs) Exclusions. The Department proposes to update and clarify Parts 7 and 9. This will include federal revisions not previously incorporated by the Department. The Department proposes to move a number of definitions from Section 8-1.1 of Subchapter 8 to Subchapter 1 since these terms are used in more than one subchapter in Chapter 100. The Department also proposes to revise the definition of "insignificant activities" in Section 8-2 of Subchapter 8 due to the recent revision to Subchapter 41 and the promulgation of new Subchapter 42 and to move paragraph (B) of the definition of "begin actual construction" from Section 8-1.1 to Section 8-2.
