Written Comments

U.S. Environmental Protection Agency, Region 6 (EPA) - Letter from Mr. Guy Donaldson, Chief, Air Planning Section, received via email on 6/3/15.

1. **COMMENT:** EPA had no adverse comments on the proposed revision to Subchapter 5, stating that, "...The revisions strengthen the exemptions so a facility is not exempt if it has emissions above our thresholds listed in 40 CFR 51 subpart A (Air Emissions Reporting Requirements)."

RESPONSE: The Department appreciates EPA's comments on this revision.

Oral Comments
