AIR QUALITY ADVISORY COUNCIL MEETING**

Written Comments

U.S. Environmental Protection Agency- Email received on October 20, 2009 from Ms. Carrie Paige, Environmental Scientist

1. **COMMENT:** "Part 4, 17-10 (Design and operation) The term "chemotrophic waste" is used in both paragraphs (2) and (3). Please define chemotrophic waste."

RESPONSE: The term "chemotrophic" is being replaced with "chemotherapeutic," which is defined in the proposed OAC 252:100-17-9.
