1. Notification

Westinghouse Digital Electronics, LLC will have, starting on January 1, 2009, a compliant collection program.

2. Recovery Plan

All of the following applies exclusively to computer equipment that has been:

- labeled with Westinghouse Digital Electronics, LLC's brand(s), both those in use and no longer in use; and
 - purchased by an individual primarily for personal or home business use.
- A. Consumers do not have to pay a separate fee at the time of recycling to recycle used computer equipment.
 - B. Westinghouse Digital Electronics, LLC provides for the collection from a consumer of any used computer equipment.
 - C. Westinghouse Digital Electronics, LLC provides for the recycling or reuse of used computer equipment.
 - D. Westinghouse Digital Electronics, LLC provides for the collection of computer equipment that is reasonably convenient and available to consumers in this state, and designed to meet the collection needs of consumers in this state.
 - E. Westinghouse Digital Electronics, LLC will not dispose of covered devices in a landfill or transfer covered devices to computer equipment recycling facilities that dispose of covered devices in landfills other than necessary incidental disposal in minimum amounts.

- F. Consumers can find out specifically how and where to return computer equipment at <http://www.wde.com/recycling.aspx>. Upon receipt of the consumers' information, Westinghouse Digital Electronics, LLC will provide prepaid shipping labels for the consumer to return the product to Westinghouse at no cost.
