**Subject: CyberPower Inc. E-waste Compliance Plan**

Dear Ms. Adler McKibben

As we know computer and notebook computer contain hazardous chemicals that can be harmful to the environment. Cyberpower is committed to doing our part to maintain a clean and healthy environment.

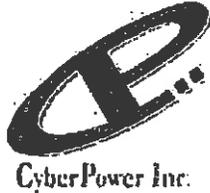

We are happy to provide a take back program for our Oklahoma customers who would like to recycle their unwanted cyberpowerpc's computer. We will provide a pre-paid UPS shipping label to ship the computer back at no cost to the consumer. Customer can drop off the package at any UPS station.

Covered devices recovered through Cyberpower's recycling program will not dispose in a landfill or transfer to computer equipment recycling facilities that dispose of covered devices in landfills other than necessary incidental disposal in de minimis amounts.

Please visit [www.cyberpowerpc.com/company/recycling.aspx](http://www.cyberpowerpc.com/company/recycling.aspx) for more details.

Sincerely,

  
Judy Chen  
Accounting Manager
