

Oklahoma Department of Environmental Quality  
Land Protection Division  
PO Box 1677  
Oklahoma City, OK 73101-1677

January 19, 2012

Ms. Adler,

Thank you for contacting Velocity Micro regarding Oklahoma's Computer Equipment Recovery Act. Below you will find the details to our plan for compliance with your state's legislation.

Velocity Micro offers a mail-back recycling program at no cost to the consumer. To participate, consumers must simply email [recycling@velocitymicro.com](mailto:recycling@velocitymicro.com), providing the product and purchase information of the item to be recycled. A Velocity Micro agent will reply with a prepaid shipping label and further instructions. Local customers may also drop off their products at our main facility at 7510 Whitepine Rd, Richmond, VA 23237. Only Velocity Micro-branded products are eligible for this program.

Velocity Micro Inc. does not and will not dispose of any goods shipped to us for recycling in landfills or transfer these goods to recycling facilities that do so.

For more information on recycling Velocity Micro products, consumers may visit [www.velocitymicro.com/recycling](http://www.velocitymicro.com/recycling).

If you have any further questions, please contact me directly.

Sincerely,

Josh Covington

Marketing Manager

### Velocity Micro Recycling Program

Velocity Micro is committed to seeing that all of our products are properly disposed of once the end of their life has been reached. In an effort to protect the environment, Velocity Micro now offers consumers the opportunity to recycle their used Velocity Micro desktops, notebooks, and netbooks at no charge.

To participate, units may be dropped off or shipped for free to our main facility at:  
7510 Whipple Rd  
Richmond, VA  
There is no charge to participate in the program.

For questions regarding the program or to schedule a drop off or shipment, please send an email to [recycling@velocitymicro.com](mailto:recycling@velocitymicro.com).

Thank you for your continued commitment to Velocity Micro and our line of ultra performance products!
