**Subject: Computer Equipment Recovery Plan for Mach Speed Technologies, LLC – Apollo Brands, LLC**

Dear Ms. Adler-McKibben,

Mach Speed Technologies, LLC – Apollo Brands, LLC is pleased to submit our Oklahoma Computer Equipment Recovery Plan. This plan follows the Oklahoma computer Equipment Recovery plan Guide as provided on the Oklahoma Department of Environmental Quality website. This plan includes our website link, a main contact email and our Toll free phone-number.

1. The manufacturer must adopt and implemented a recovery plan, either alone or in cooperation with other manufacturers.

Mach Speed Technologies, LLC – Apollo Brands, LLC currently operates an equipment recovery mail-back program for Trio and Eclipse brand tablets. This will serve as our recovery plan for Oklahoma Consumers.

This recovery plan applies to all Trio and Eclipse branded Tablets. There are no Trio or Eclipse tablets that are sold that do not have the Trio or Eclipse logo affixed to them, nor are there any Trio or Eclipse tablets sold under any other name.

Trio and Eclipse “Covered Devices” as defined in Oklahoma law include Tablets.

2. The recovery plan must fully explain how the manufacturer will collect from a consumer and recover each covered device that is labeled with the manufacturer's brand, at no charge to the consumer.

Mach Speed Technologies, LLC – Apollo Brands, LLC makes its mail-back recycling program available for free to all purchasers of Trio and Eclipse Products in the US. Consumers are made aware of this program via our website. The link to our recycling page is located on the home page for Mach Speed LLC, -Apollo Brands, LLC website (<http://triomp3.com>) and detailed information for consumers on how to recycle old Trio and Eclipse tablets is then found at <http://www.triomp3.com/ecycle.php> . Mach Speed Technologies, LLC-Apollo Brands, LLC covered device, at no charge to the consumer through the following steps:

- Consumers are directed to the website of Mach Speed Technologies, LLC-Apollo Brands, LLC recycling page <http://www.triomp3.com/ecycle.php> where they can choose to proceed online or call our toll free number 888-350-2766.
- Online- consumers simply fill out an online form with name, address, phone, email address and model # and within 1 business day the customer will receive a pre-paid UPS shipping-label by email.
- Toll Free - the customer will ask to speak to our Recycling Dept., where information will be gathered to proceed and within 1 business day the customer will receive a pre-paid UPS shipping label by email.
- The consumer packages the old Trio or Eclipse tablet in a box and attaches the UPS shipping label, and drops it off at the nearest UPS drop off location or can call UPS for pickup at no charge. 1-800-377-4877 (PICK)
- There is no charge to the customer.

3. The recovery plan must provide for covered device collection services that are reasonably convenient and available.

UPS drop off locations are widely available through Oklahoma. If a consumer cannot get access to a UPS drop off location, they can call UPS at 1-800-377-4877 (PICK) and UPS will come to them at no charge.

4. The recovery plan must be designed to meet the collection needs of consumers in this state.

Because Oklahoma residents can call the toll-free number (or go online) and arrange for free shipping, this recovery plan will meet needs of consumers with old Mach Speed Technologies, LLC-Apollo Brands, LLC products.

5. If the manufacturer does not offer a mail-back system, it must submit for approval by the Department of Environmental Quality a plan that offers reasonably convenient collections.

Not applicable – Mach Speed Technologies, LLC – Apollo Brands, LLC offers a free and convenient mail-back system.

6. The recovery plan must include a statement that the manufacturer will not dispose of covered devices in landfills or transfer covered devices to computer equipment recycling facilities that dispose of covered devices in landfills other than necessary incidental disposal in de minimis amounts.

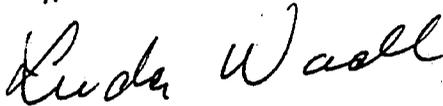

Mach Speed Technologies, LLC – Apollo Brands, LLC will not dispose of covered devices in landfills or transfer covered devices to computer equipment recycling facilities that dispose of covered devices in landfills other than necessary incidental disposal in de minimis amounts.

7. If a manufacturer operates or publishes a website for providing product information about a covered device they must include information about collection and recovery for consumers on their website. Also must include a link to it in the recovery plan.
