Instructions-

Manifests must be printed on appropriate forms in accordance with OAC 252:515-21-51. A copy of the form is to be given to the generator; if applicable, a copy should be attached to the used tire reimbursement manifest when waste tires are picked up from the primary hauler and delivered to a permitted used tire recycling facility; a copy should be retained by the primary hauler or final recipient.

Section I. Section I is to be completed and signed by the generator (i.e., tire dealer or other used tire generator).

Section II. Section II is to be completed and signed by the primary hauler or final recipient.

The final recipient of the tires must (within 30 days) return a copy of the completed manifest to the generator.

All parties must retain their copy of the manifest for a minimum of five years.
