

DRAFT MINUTES
HAZARDOUS WASTE MANAGEMENT ADVISORY COUNCIL
February 8, 2010
DEQ 10th Floor Conference Room
707 North Robinson
Oklahoma City, Oklahoma

HWMAC
April 22, 2010

Due to inclement weather on January 28, 2010, that regularly scheduled meeting was rescheduled to February 8, 2010. Notice for the January 28, 2010 meeting was filed with the Secretary of State on December 3, 2009 and amended January 26, 2010 to reschedule. There was no quorum for the February 8, 2010 meeting also due to inclement weather. Although the expectation was to forward this rulemaking to the February 26, 2010 Environmental Quality Board meeting, it was decided to not try to reschedule again due to yet another probable wave of inclement weather. Staff and the Council members present decided that the items for the Brownfields rules would be brought before the Council at the April 22, 2010 regular meeting. Staff recommendation would be for both emergency and permanent adoption.
