

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

PRIORITY POINTS	SYSTEM	LOAN AMOUNT	CUMULATIVE AMOUNT	POPULATION	Dis-advantaged Y or N	PROJECT DESCRIPTION	Anticipated Binding Commitment Date	Anticipated Construction Date	Project Number
<u>Funding List</u>									
1090	Barnsdall PWA	\$ 100,000.00	\$ 100,000.00	1,955	Y	Installation of aerators in both tanks to fight DBPs.	3/1/2021	5/1/2021	P40-1021304-01
1050	Beggs PWA	\$ 100,000.00	\$ 200,000.00	1,364	Y	Improvements to reduce Disinfection By-Products (DBPs).	11/1/2020	12/1/2020	P40-1020707-01
1005	Copan PWA	\$ 2,146,686.00	\$ 2,346,686.00	733	Y	Installation of approximately 60,000 feet of 6" water line to serve Osage County RWD #20 (Hulah). The rural water district has been on a boil order for several months due to high turbidity levels and a failure of the water treatment process.	9/1/2020	11/1/2020	P40-1021417-01
950	Fairfax PWA	\$ 100,000.00	\$ 2,446,686.00	1,655	Y	Improvements will address disinfection byproducts violations.	2/1/2021	4/1/2021	P40-1021204-01
940	Cleveland MA	\$ 100,000.00	\$ 2,546,686.00	4,870	Y	Installation of an aeration system and mixing system in the primary elevated water storage tanks and automated flushing hydrants.	6/1/2021	8/1/2021	P40-1021210-01
930	Waurika PWA	\$ 100,000.00	\$ 2,646,686.00	7,890	Y	Construction improvements will be made to correct DBP problems.	12/1/2020	3/1/2021	P40-1011201-01
810	Hominy PWA (II)	\$ 300,000.00	\$ 2,946,686.00	3,814	Y	Rehabilitation of the existing north water storage tank which would include design and installation of a water circulation system.	10/1/2020	12/1/2020	P40-1021306-02
780	Pushmataha Co. RWD #3	\$ 100,000.00	\$ 3,046,686.00	4,825	Y	Improvements for non-compliance with disinfection-by-product (DBP) issues.	2/1/2021	4/1/2021	P40-1010318-01
780	Porter PWA	\$ 785,000.00	\$ 3,831,686.00	2,506	Y	Water system improvements consisting of rehabilitation of an elevated water storage tank, ground storage tank, and booster pump station, and addressing DBP issues.	6/1/2021	8/1/2021	P40-3007306-01
750	Muskogee Co. RWD #3	\$ 200,000.00	\$ 4,031,686.00	1,725	Y	Installing water lines to loop in dead end lines to help with water age and two (2) booster stations to help with pressure issues.	10/1/2020	12/1/2020	P40-1020710-01
710	Talihina PWA	\$ 275,000.00	\$ 4,306,686.00	4,981	Y	Improvements include clearwell modifications and tank aeration; rehailitation of the existing filters and repainting the steel components in Clarifier 3.	8/1/2020	12/1/2020	P40-1010304-01
690	Maysville MA	\$ 6,600,000.00	\$ 10,906,686.00	1,212	Y	Abandon the dilapidated surface water treatment plant, develop 2 new wells, construct a new water treatment plant, and replace the majority of our distribution system to meet ODEQ regulations.	1/1/2021	3/21/2021	P40-1010807-01
580	Pittsburg PWA	\$ 120,000.00	\$ 11,026,686.00	280	Y	Replacement of the filter media in the slow sand filter, additional chlorine feed point at the WTP, flushing hydrant, and booster chlorine station in the distribution system.	1/1/2020	3/1/2020	P40-1020604-01
510	Wetumka PWA	\$ 100,000.00	\$ 11,126,686.00	2,221	Y	Improvements to the raw water intake, treatment plant, and/or distribution system to address the DBP exceedances occurring within the system.	1/1/2021	3/1/2021	P40-1020508-01

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

470	Muskogee Co. RWD #7	\$	300,000.00	\$	11,426,686.00	710	Y	Improvements would include 25,500 LF of 8" line, 8,500 LF of 6" line, a water storage tank and a pump station to provide water to Cherokee Co. RWD #1. The Cherokee Co. RWD#1 water treatment plant would be abandoned.	8/1/2020	10/1/2020	P40-3005103-01
450	Wewoka PWA	\$	300,000.00	\$	11,726,686.00	4,257	Y	Construct a new 500,000 gallon fully baffled clearwell at the WTP to assist in reduction of disinfection by-products.	6/1/2021	10/1/2021	P40-1020510-01
450	Comanche PWA	\$	100,000.00	\$	11,826,686.00	7,364	Y	Treatment plant improvements consist of installing a chlorine dioxide system and appurtenances for the reduction of disinfection byproducts.	9/1/2020	10/1/2020	P40-1011101-01
420	Taft PWA	\$	100,000.00	\$	11,926,686.00	250	Y	Installing a dedicated water line to the standpipe to ensure all customers receive aerated/recirculated water and DBP compliant water.	11/1/2020	1/1/2021	P40-3005118-01
413	Fairview UA	\$	3,500,000.00	\$	15,426,686.00	2,690	Y	Construct a new water treatment plant and appurtenances.	12/1/2020	2/1/2021	P40-2004404-01
340	Frederick PWA (II)	\$	130,000.00	\$	15,556,686.00	4,218	Y	Installation of a permanent Chlorine Dioxide Feed System and a separate chlorine gas storage/feed building.	8/1/2020	10/1/2020	P40-1011401-02
335	Holdenville PWA (II)	\$	100,000.00	\$	15,656,686.00	5,909	Y	Filter rehabilitation, chemical feed upgrades and aeration of distribution tank if budget allows.	10/1/2020	12/1/2020	P40-1020803-02
330	Checotah PWA (II)	\$	1,200,000.00	\$	16,856,686.00	8,250	Y	Water treatment plant improvements to reduce disinfection by-products.	10/1/2020	12/1/2020	P40-1020515-02
313	Kingfisher PWA	\$	100,000.00	\$	16,956,686.00	5,073	Y	Improvements for non-compliance with disinfection-by-product (DBP) issues.	8/1/2020	10/1/2020	P40-2003702-01
310	Foss Reservoir MCD (II)	\$	10,000,000.00	\$	26,956,686.00	17,888	Y	Construct a second, redundant, clarifier to allow for maintenance of the existing clarifier; construct a mixing basin along with additional bypass piping; and rehabilitation of the sand filter and reworking the piping to increase redundancy.	12/1/2020	2/1/2021	P40-1010829-02
295	Stillwater UA (V)	\$	16,000,000.00	\$	42,956,686.00	40,800	Y	Construction of a WTP Finished Water Pump Station and Clearwell Replacement.	2/1/2021	3/1/2021	P40-1021220-05
285	Town of Loyal	\$	150,000.00	\$	43,106,686.00	81	Y	Installation of an Ion Exchange Treatment Unit, Building and Wastewater Disposal Storage Facility.	2/1/2021	4/1/2021	P40-2003701-01
270	Anadarko PWA	\$	100,000.00	\$	43,206,686.00	7,604	Y	Installation of automated flushing and tank aeration with blowers.	3/1/2021	5/1/2021	P40-1010806-01
260	Garfield Co. RWD #6	\$	900,000.00	\$	44,106,686.00	1,430	Y	Install iron and manganese treatment system, line extension and booster station.	4/1/2021	6/1/2021	P40-2002415-01
250	Canadian Co. RWD #1	\$	2,000,000.00	\$	46,106,686.00	750	Y	Construct one new Ion Exchange nitrate reduction water treatment plant, two new distribution standpipes, and install eight new well pumps.	3/1/2021	5/1/2021	P40-2000908-01
240	Shidler PWA	\$	100,000.00	\$	46,206,686.00	464	Y	Construction of a clearwell and aerator for distribution of elevated tank.	12/1/2020	2/1/2020	P40-1021203-01
240	Welch PWA	\$	397,000.00	\$	46,603,686.00	800	Y	Rehabilitation of a well, pilot testing, and construction of an ion exchange treatment plant.	2/1/2021	4/1/2021	P40-2001801-01
165	Ellis Co. RWD #1	\$	75,000.00	\$	46,678,686.00	43	Y	Install a water storage tank and pump station to provide adequate pressure to customers in the Town of May.	10/1/2020	1/1/2021	P40-2002318-01

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

150	Creek Co. RWD #2	\$	4,800,000.00	\$	51,478,686.00	13,051	Y	Construction of four (4) miles of 12" water line, a water tower and a pump station.	1/1/2021	3/1/2021	P40-3001902-01
150	McCurtain Co. RWD #8 (II)	\$	850,000.00	\$	52,328,686.00	5,685	Y	Construction of a Betterment to State Highway relocation, and an increase in line size for better distribution of water throughout our system.	3/1/2021	5/1/2021	P40-1010207-02
140	Beckham Co. RWD #2	\$	850,000.00	\$	53,178,686.00	857	Y	Construct a waterline to supply water to the community of Delhi.	6/1/2021	9/1/2021	P40-2000510-01
135	Edmond PWA (V)	\$	20,000,000.00	\$	73,178,686.00	80,214	N	Project 1: Construction of a 24-inch water line project along W. Danforth Road from west of Kelly Avenue to N. Chowning Avenue, and along N. Chowning Avenue from W. Danforth Road to E. Ayers Street, and along E. Ayers Street to Bryant Avenue and a 18-inch water line. The water system improvements will increase distribution reliability, boost pressure and loop into other existing water lines. Project 2: Construction of a new 2MG Elevated Water Storage Tank (EST) on the same site as an existing storage tank located at the City of Edmond Police South Facility at 2816 Technology Drive. The project also includes 4,200 LF of new 24" water main along Centennial Blvd. and Technology Drive from Kelly Ave. to Broadway Extension to connect the new elevated storage tank to the existing water system, and demolition of three existing 0.5MG ESTs. These improvements increase distribution reliability, boost pressure and loop into existing water lines.	9/1/2020	11/1/2020	P40-1020723-05
130	Edmond PWA (VII)	\$	45,000,000.00	\$	118,178,686.00	80,214	N	This phase of the project (INT-01), consists of the following: Preparing a site and access road within the United States Army Corps of Engineers (USACE) Property for the construction of a new intake adjacent to Arcadia Lake. This will require securing a Section 408 permit from the USACE. Construction of a below grade shaft for launching a tunnel boring machine and placing concrete and mechanical works in the shaft to allow it to function as a wet well for the low lift pumping station. The wet well will have a design capacity of 65 MGD. Construction of three (3) 60-inch diameter wet lake taps and intake screens for a design capacity of 65 MGD – firm capacity. Excavation within Arcadia Lake for receiving the tunnel boring machine and construction of foundations within the lake for placement of the intake screens. Construction of a 30 MGD firm capacity pump station (expandable to 65 MGD firm capacity) and appurtenances over the wet well. Construction of the yard piping, paving, and an emergency generator adjacent to the pump station. The yard piping will mainly involve construction of a new 42-inch HDPE discharge raw water transmission main to the boundary of the INT-01 site for connection to a new 42-inch HDPE raw water transmission main connecting the INT-01 site to the existing water treatment plant. This portion of the raw water transmission main will be constructed under a different project under a separate funding request.	1/1/2021	3/1/2021	P40-1020723-07

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

125	Lone Grove Water and Sewerage Trust Authority	\$	4,140,000.00	\$	122,318,686.00	4,863	Y	Water system improvements including: groundwater wells, waterlines, and a 0.40MG elevated water storage tank.	3/1/2021	5/1/2021	P40-20010047-01
120	Porum PWA	\$	3,457,310.00	\$	125,775,996.00	5,290	Y	Installation of approximately 72,000 L.F. of line replacement and additional line, a proposed water storage tank, rehabilitation of two standpipes, and a proposed booster station.	6/1/2021	8/1/2021	P40-1020302-01
100	Stilwell Area Development Authority	\$	15,500,000.00	\$	141,275,996.00	6,475	Y	Expansion of the water treatment plant.	3/1/2021	5/1/2021	P40-1020205-01
95	Ottawa Co. RWD #5	\$	400,000.00	\$	141,675,996.00	750	Y	Construct approximately 13,500 feet of six-inch water line into a part of the district currently experiencing low water pressure, zero at times in many households, and erecting a standpipe on the point of highest elevation in that area.	4/1/2021	6/1/2021	P40-2005840-01
85	Tonkawa MA (II)	\$	4,000,000.00	\$	145,675,996.00	3,449	Y	Construct two (2) water wells, construct an 800,000 gallon water storage tank, and install 8,200 LF of 8" waterline.	1/1/2021	3/1/2021	P40-2003603-02
80	Nowata MA	\$	450,000.00	\$	146,125,996.00	5,566	Y	Rehabilitation of the water treatment plant consisting of new pumps, variable frequency drives, and installation of SCADA system for plant automation.	3/1/2021	4/1/2021	P40-1021503-01
73	Shawnee MA (III)	\$	20,625,000.00	\$	166,750,996.00	32,168	Y	Water Treatment Plant improvements.	6/1/2021	8/1/2021	P40-1020504-03
40	Jones PWA	\$	3,200,000.00	\$	169,950,996.00	1,727	N	Replace the water storage tank with a new tank, rebuild the water wells, develop a new well and add a waterline, and install Automated Meter Reading (AMR) software and meters.	2/1/2021	4/1/2021	P40-2005507-01
Total:				\$	169,950,996.00						

Future Years

2022											
490	Hugo MA	\$	100,000.00	\$	100,000.00	5,786	Y	Installation of a tank mixing system in the existing elevated tank to assist in reduction of DBPs.	7/1/2021	9/1/2021	P40-1010314-01
360	Town of Devol	\$	100,000.00	\$	200,000.00	150	Y	Water treatment improvements for reduction of disinfection byproducts.	7/1/2021	9/1/2021	P40-3001701-01
285	Rogers Co. RWD #4 (II)	\$	3,600,000.00	\$	3,800,000.00	7,725	N	Addition of a third "Actifloc" clarification/filtration unit at the existing RWD #4 water treatment plant; installation of a 500,000 gallon water storage tank at the existing RWD #4 treatment plant, and construct a two-mile long twelve-inch (12") water line project on S. 4100 Road, located near Talala, OK.	7/1/2021	9/1/2021	P40-1021506-02

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

Other Changes (including a current project that changes points, amount, description, funding year, etc. during the year) since 4/1/2020

610	Stroud UA (II)	\$	118,000.00	Changed amount from \$118,000 to \$161,000 per TEAMS messages since bids came in high and they took low bid on 7/21/2020.
443	Jet PWA	\$	846,999.00	Changed amount from \$846,999 to \$850,000 per L2 application submitted to OWRB 8/11/2020.
220	Atoka Co. RWD #4	\$	110,000.00	Changed amount from \$110,000 to \$180,000 around 10/20/2020.
1005	Copan PWA	\$	1,500,000.00	Changed amount from \$1,500,000 to \$2,146,686 per L2 application submitted to OWRB around 11/18/2020.
220	Atoka Co. RWD #4	\$	180,000.00	Changed amount from \$180,000 to \$180,230 around 11/17/2020.
110	Grady Co. RWS & SWMD #6	\$	11,085,000.00	Changed amount from \$11,085,000 to \$11,240,000 per L2 application submitted to OWRB rec'd from OWRB around 11/23/2020.
443	Jet PWA	\$	850,000.00	Changed amount from \$850,000 to \$861,500 per L2 application submitted to OWRB around 12/10/2020.
118	Enid MA (IV)	\$	200,000,000.00	Changed amount from \$200,000,000 to \$205,000,000 per letter. Changed on 12/1/2020.
450	Wewoka PWA	\$	100,000.00	Changed amount from \$100,000 to \$300,000 and project description from "Installation of a tank mixing system in our existing elevated tank to assist in reduction of DBPs" to "Construct a new 500,000 gallon fully baffled clearwell at the WTP to assist in reduction of disinfection by-products". Changed on 12/11/2020.
125	Lone Grove Water and Sewerage Trust Authority	\$	4,140,000.00	Received revised PPL request letter to change tank size from 0.25MG to 0.40MG. Changed on 12/14/2020.
440	Cherokee Co. RWD #11	\$	1,575,000.00	Added the following to the end of the description: "and replacement of a 150,000 gallon storage tank". Added 12/22/2020.
73	Shawnee MA (III)	\$	19,500,000.00	Changed amount from \$19,500,000 to \$20,625,000 per L2 application. Changed on 2/22/2021.
150	McCurtain Co. RWD #8 (II)	\$	750,000.00	Changed amount from \$750,000 to \$850,000 per L2 application. Changed on 3/25/2021.

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

Added to PPL since 4/1/2020

85	Tonkawa MA (II)	\$	4,000,000.00	3,449	Y	Added new project after the comment period ended. Description: Construct two (2) water wells, construct an 800,000 gallon water storage tank, and install 8,200 LF of 8" waterline. Added 8/13/2020.	1/1/2021	3/1/2021	P40-2003603-02
215	Atoka MA (III)	\$	1,261,000.00	3,609	Y	Added new project after the comment period ended. Description: Additional funding for: Rehabilitation of the water treatment plant, construction of a new clearwell, pump station improvements, refurbishment of the existing elevated storage tank at the water treatment plant and acquisition and installation of new automated water meters, along with related costs. Added 9/8/2020.	9/1/2020	11/1/2020	P40-1010401-03
118	Enid MA (IV)	\$	200,000,000.00	52,650	Y	Added new project after the comment period ended. Description: The City of Enid (City) is pursuing a new surface water supply from Kaw Lake to satisfy the anticipated annual average water supply deficit of 9.2 million gallons per day (MGD) through the year 2048, with a Full Build-out capacity of 21 MGD. The Kaw Lake Water Supply (KLWS) system will provide water to the City by connecting the Kaw Lake water source to the City's distribution network. The City's water supply will be provided by combining the existing groundwater and new surface water conveyed from Kaw Lake. Water will be withdrawn from Kaw Lake, about 70 miles northeast of Enid, and piped to a new 10.5 MGD water treatment plant operated by the City. The water will be stored, treated, blended with the groundwater, and distributed to meet the City's projected demand. The KLWS system will be designed to supplement the groundwater supply to meet future anticipated demand. Added 10/6/2020.	11/1/2020	1/1/2021	P40-2002412-04
95	Ottawa Co. RWD #5	\$	400,000.00	750	Y	Added new project after the comment period ended. Description: Construct approximately 13,500 feet of six-inch water line into a part of the district currently experiencing low water pressure, zero at times in many households, and erecting a standpipe on the point of highest elevation in that area. Added 10/6/2020.	4/1/2021	6/1/2021	P40-2005840-01
240	Welch PWA	\$	397,000.00	800	Y	Added new project after the comment period ended. Description: Rehabilitation of a well, pilot testing, and construction of an ion exchange treatment plant. Added 10/6/2020.	2/1/2021	4/1/2021	P40-2001801-01
270	Anadarko PWA	\$	100,000.00	7,604	Y	Added new project after the comment period ended. Description: Installation of automated flushing and tank aeration with blowers. Added 12/4/2020.	3/1/2021	5/1/2021	P40-1010806-01

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

100	Stilwell Area Development Authority	\$	15,500,000.00	6,475	Y	Added new project after the comment period ended. Description: Expansion of the water treatment plant. Added 12/14/2020.	3/1/2021	5/1/2021	P40-1020205-01
120	Porum PWA	\$	3,457,310.00	5,290	Y	Added new project after the comment period ended. Description: Installation of approximately 72,000 L.F. of line replacement and additional line, a proposed water storage tank, rehabilitation of two standpipes, and a proposed booster station. Added 1/14/2021.	6/1/2021	8/1/2021	P40-1020302-01
780	Porter PWA	\$	785,000.00	2,506	Y	Added new project after the comment period ended. Description: Water system improvements consisting of rehabilitation of an elevated water storage tank, ground storage tank, and booster pump station, and addressing DBP issues. Added 1/22/2021.	6/1/2021	8/1/2021	P40-3007306-01
360	Town of Devol	\$	100,000.00	150	Y	Added new project after the comment period ended. Description: Water treatment improvements for reduction of disinfection byproducts. Added 1/27/2021.	7/1/2021	9/1/2021	P40-3001701-01
285	Rogers Co. RWD #4 (II)	\$	3,600,000.00	7,725	N	Added new project after the comment period ended. Description: Addition of a third "Actifloc" clarification/filtration unit at the existing RWD #4 water treatment plant; installation of a 500,000 gallon water storage tank at the existing RWD #4 treatment plant, and construct a two-mile long twelve-inch (12") water line project on S. 4100 Road, located near Talala, OK. Added 2/12/2021.	7/1/2021	9/1/2021	P40-1021506-02
150	McCurain Co. RWD #8 (II)	\$	750,000.00	5,685	Y	Added new project after the comment period ended. Description: Construction of a Betterment to State Highway relocation, and an increase in line size for better distribution of water throughout our system. Added 2/24/2021.	3/1/2021	5/1/2021	P40-1010207-02
Deleted from PPL since 4/1/2020									
610	Stroud UA (II)	\$	118,000.00	2,811	Y	Deleted per binding commitment of 8/18/2020. Description: Replacing the bottoms of two of the four filters. Deleted 8/26/2020.	7/1/2020	9/1/2020	P40-1020705-02
205	Tishomingo MA	\$	4,500,000.00	3,000	Y	Deleted per DEQ letter due to no response. Description: Construction of a new Water Treatment Plant at the site of the present plant. The present plant was built in the 1960's and has deficiencies both in capacity and operation that are becoming increasingly expensive to overcome. The plant also lacks redundancy in operation as required by State regulations. Deleted 9/1/2020.	6/1/2021	9/1/2021	P40-1010815-01

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

215	Atoka MA (III)	\$	1,261,000.00	3,609	Y	Deleted per binding commitment of 9/15/2020. Description: Additional funding for: Rehabilitation of the water treatment plant, construction of a new clearwell, pump station improvements, refurbishment of the existing elevated storage tank at the water treatment plant and acquisition and installation of new automated water meters, along with related costs. Deleted 9/21/2020.	9/1/2020	11/1/2020	P40-1010401-03
85	Hooker MA	\$	200,000.00	1,788	Y	Deleted per email to Candy Thompson. Description: Repair a 55,000 gallon water tower that is in disrepair and non-usable. Deleted 12/11/2020.	8/1/2020	10/1/2020	P40-2007006-01
443	Jet PWA	\$	861,500.00	230	Y	Deleted per binding commitment of 12/15/2020. Description: Replace the water storage tank with a new tank and treat for lead and copper to meet ODEQ regulations. Deleted 12/23/2020.	6/1/2020	8/1/2020	P40-2000211-01
110	Grady Co. RWS & SWMD #6	\$	11,240,000.00	3,930	Y	Deleted per binding commitment of 12/15/2020. Description: Refinancing of two Promissory Notes in favor of Rural Utilities Service issued in the respective original amounts of \$8,000,000 and \$4,539,000 dated August 17, 2012 to fund water system improvements. Deleted 12/23/2020.	8/1/2020	9/1/2020	P40-3002603-01
220	Atoka Co. RWD #4	\$	180,230.00	3,396	Y	Deleted per binding commitment of 12/15/2020. Description: Install equipment to add Chloramines to the treatment process. Deleted 12/23/2020.	11/1/2020	1/1/2021	P40-1010412-01
118	Enid MA (IV)	\$	205,000,000.00	52,650	Y	Deleted per binding commitment of 12/15/2020. Description: The City of Enid (City) is pursuing a new surface water supply from Kaw Lake to satisfy the anticipated annual average water supply deficit of 9.2 million gallons per day (MGD) through the year 2048, with a Full Build-out capacity of 21 MGD. The Kaw Lake Water Supply (KLWS) system will provide water to the City by connecting the Kaw Lake water source to the City's distribution network. The City's water supply will be provided by combining the existing groundwater and new surface water conveyed from Kaw Lake. Water will be withdrawn from Kaw Lake, about 70 miles northeast of Enid, and piped to a new 10.5 MGD water treatment plant operated by the City. The water will be stored, treated, blended with the groundwater, and distributed to meet the City's projected demand. The KLWS system will be designed to supplement the groundwater supply to meet future anticipated demand. Deleted 12/23/2020.	11/1/2020	1/1/2021	P40-2002412-04
480	McIntosh Co. RWD #8	\$	100,000.00	3,874	Y	Deleted per binding commitment of 2/16/2021. Description: Install new chemical feeders, mixer in both towers, second line at Watts Tower, and permanganate at intake as a primary oxidant. Deleted 2/17/2021.	10/1/2020	12/1/2020	P40-1020529-01

**OK DWSRF PPL SFY 2021 Project Priority List
for IUP public meeting starting 4/1/2020**

440	Cherokee Co. RWD #11	\$	1,575,000.00	200	Y	Deleted per binding commitment of 2/16/2021. Description: Construction of an 8" water line to provide water to Cherokee Co. RWD #9. The Cherokee Co. RWD #9 water plant would be abandoned. Improvements to address pressure and water loss issues including but not limited to pipe replacement, pressure reducing stations as well as adding standby power to the water treatment plant and Double Springs intake, and replacement of a 150,000 gallon storage tank Deleted 2/17/2021.	10/1/2020	12/1/2020	P40-1221637-01
240	Wynnewood UA	\$	100,000.00	2,307	Y	Deleted per removal letter. Description: Installation of a tank mixing system in the existing elevated tank to assist in reduction of DBPs. Deleted 3/1/2021.	1/1/2021	3/21/2021	P40-1010812-01

Moved from one year to another on PPL since 4/1/2020
