FOR PROPOSED REVISION TO  
CHAPTER 100. AIR POLLUTION CONTROL, SUBCHAPTERS 17, 23, AND 35**

**COMMENTS RECEIVED PRIOR TO AND DURING THE *JUNE 21, 2023*  
AIR QUALITY ADVISORY COUNCIL MEETING**

**Written Comments**

**Carrie Paige – Environmental Protection Agency (EPA) Region 6** – Submitted via email on June 7, 2023.

1. **COMMENT:** Ms. Paige stated that EPA Region 6 has no comments on the proposed revisions to Subchapter 17 since the affected provisions are not currently in the Oklahoma State Implementation Plan (SIP). Similarly, the change to OAC 252:100-23-3(b)(2) is also not in Oklahoma's SIP and EPA has no comments. OAC 252:100-23-3(a) is in the SIP, and Ms. Paige stated that EPA has no adverse comments regarding the proposed revisions. Likewise, EPA has no adverse comments to the proposed changes in Subchapter 35.

**RESPONSE:** The Department appreciates EPA's review of the proposed rule revisions.
