

OKLAHOMA DEPARTMENT OF ENVIRONMENTAL QUALITY

Notice of Cancellation of Public Hearing

**Oklahoma's Section 110 Infrastructure SIP Certification
2010 Primary Nitrogen Dioxide (NO₂) NAAQS**

The Oklahoma Department of Environmental Quality (DEQ) hereby announces that no request for a public hearing was received by the close of the 30-day notice period (1/15/2014 – 2/14/2014) on the proposed certification that Oklahoma has adequate resources and authority to implement, maintain, and enforce the 2010 Primary Nitrogen Dioxide (NO₂) National Ambient Air Quality Standards (NAAQS). Therefore, the hearing scheduled for Wednesday, February 19, 2014 has been cancelled, as provided for in the notice announcing the opportunity to request a public hearing and comment on the proposal. This announcement is in accordance with the public notice requirements of 40 CFR § 51.102.

Written comments on the proposal will be accepted through noon on Wednesday, February 19, 2014. The public notice and proposed certification are available on the DEQ website at <http://www.deq.state.ok.us/aqdnew/RulesAndPlanning/index.htm>. Copies may also be obtained from the Department by contacting Cheryl E. Bradley, Environmental Programs Manager, at (405) 702-4100 or Cheryl.Bradley@deq.ok.gov.
