Re: Notice of Deficiency Response (March 12, 2012), RCRA Part B Post-Closure and Corrective Action Permit Application (October 21, 2011)  
Holly Refining and Marketing – Tulsa, LLC – Holly Tulsa East Refinery  
EPA ID#OKD990750960

Dear Mr. Haar:

On March 12, 2012, the Oklahoma Department of Environmental Quality Land Protection Division (DEQ) received a letter dated March 9, 2012 (Response) from Holly Refining and Marketing-Tulsa LLC (Holly) with accompanying attachments. After reviewing the Response, DEQ has found the Application to be Administratively Complete. The Response, with accompanying attachments, is accepted as submitted and will be included in the paper copies of the Permit application.

A full technical review has begun and the comments on the adequacy of the technical aspects of the application will be issued once we have completed this technical review.

Please direct any questions or comments you may have to Orphius Mohammad at (405) 702-5118, or by E-Mail at [Orphius.Mohammad@deq.ok.gov](mailto:Orphius.Mohammad@deq.ok.gov).

Sincerely,

Saba Tahmassebi, PhD, P.E.  
Chief Engineer  
Land Protection Division
