Governor

**DATE: July 1, 2020**

**TO: All radioactive material license holders and radiation producing equipment permit holders**

**RE: Update for Annual Fees for Fiscal Year 2021 (FY2021)**

The enclosed invoice includes a fee increase effective July 1, 2020. The amount of the increase is 1.8%, which equals the annual rise in the U.S. Department of Labor Consumer Price Index.

This fee increase is authorized in Oklahoma's Radiation Management Rules, OAC 252:410-7-3(a)(5), to assist the Department of Environmental Quality (DEQ) in meeting rising costs of the environmental services and regulatory programs associated with licensing radioactive material usage and permitting radiation producing machines.

Questions regarding any increases in fees may be directed to Jennifer McAllister of the Radiation Management Section at (405) 702-5169.

Respectfully,

*for* Mike Broderick
