

Brite Cleaners/ Boulevard Market Center

08/05/16

Location: 101 North Douglas Boulevard, Midwest City, Oklahoma County, Oklahoma

Background: Brite Cleaners operated in the retail shopping center from 1986-1996, but is currently only a drop-off location.

Air: None addressed

Soil: No observed risk

Surface Water: No surface water in the immediate vicinity

Groundwater: Chlorinated hydrocarbons have been detected in groundwater monitoring wells.

Private/Public Wells: No wells have been identified

Vapor Intrusion to Indoor Air: Vapor mitigation system has been installed in the daycare facility. No vapor issues have been observed in the commercial buildings. Off-site groundwater concentrations are at much lower levels.

Key Questions:

- **Have all known groundwater contaminant plumes been adequately evaluated and delineated?** Yes
- **Has the site been sampled for an adequate list of analytes?** Yes
- **Does soil or waste need to be cleaned up?** No
- **Has the surface water been sampled?** No surface water in the vicinity
- **Has soil at the site been cleaned up to levels protective of groundwater?** Site is currently under the characterization stage and no final remedy has been determined yet.
