RE: PERMIT RENEWAL APPLICATION FOR CLEAN HARBORS LONE MOUNTAIN, LLC. EPA ID NO. OKD 065438376

Dear Ms. Haley:

Envirotech Engineering and Consulting Inc. is submitting the RCRA Permit Renewal Application for the Lone Mountain facility on behalf of Clean Harbors Environmental Services, Inc. Please find enclosed the document entitled "Clean Harbors Lone Mountain, LLC, RCRA Permit Renewal Application," dated September 31, 2020. This document is being submitted in accordance with Title 40 of the Federal Code of Regulations, Section 270.10(h) and 270.30(b) to renew the existing Hazardous Waste Facility Permit issued to Clean Harbors for the Lone Mountain Facility in 2009.

The attached documents contain both Part A and Part B of the permit application. This application spans 12 Volumes in hard copy and is included on the enclosed USB drive in electronic copy. Envirotech, on behalf of Clean Harbors, is proposing minor changes in this application when compared to the current permit. These proposed changes are intended to make the permit reflect current facility operations and industry standards.

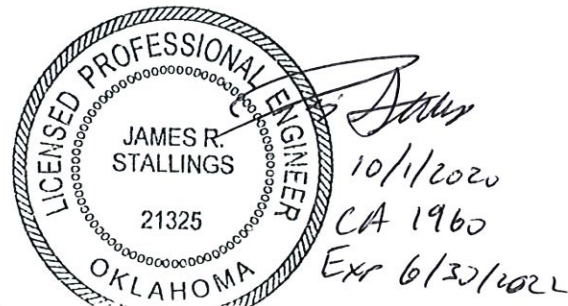

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
