

SOLID WASTE PERMIT MODIFICATION

The Department of Environmental Quality hereby approves the following modification:

Solid Waste Permit No.: 3572001
Facility: North Tulsa Sanitary Landfill
Facility Type: Municipal Solid Waste Landfill
County: Tulsa County

Modification: Modify the existing permit to incorporate changes to the facility's current Waste Exclusion Plan. The modification will allow North Tulsa Sanitary Landfill (NTSL) to accept, manage and dispose of non-hazardous industrial waste in its Subtitle D cells.

Incorporation by Reference:

The application, received on March 29, 2022, is considered approved and is incorporated as a part of this permit modification.

Conditions:

1. NTSL shall not accept more than one type of non-hazardous industrial solid waste for disposal unless all non-hazardous industrial solid waste streams are disposed over the Subtitle D section that is equipped with a composite liner and a leachate collection system in accordance with 27A O.S. § 2-10-501(E)(1).
2. When conditions of the approved Waste Exclusion Plan change, an amended Waste Exclusion Plan must be submitted within thirty (30) days to DEQ for approval.
3. Maintain and submit records to DEQ in accordance with OAC 252:515-31-4.

The permittee is authorized to operate in conformity with this permit modification and the application received by email on March 29, 2022. Commencing operations under this modification constitutes acceptance of, and consent to, the conditions contained herein.
