

**OKLAHOMA DEPARTMENT OF ENVIRONMENTAL QUALITY
NOTICE - APPLICATION FILED**

Application filed. A solid waste Tier 2 application has been filed with the Department of Environmental Quality (DEQ).

Applicant: The applicant is McAlester Army Ammunition Plant, 1 C Tree Rd., McAlester, Oklahoma 74501.

Type of final permit or permit action being sought: The applicant seeks to modify its existing Non-Hazardous Industrial Waste permit.

Facility location: The McAlester Army Ammunition Plant is located at 1 C Tree Rd., McAlester, Oklahoma 74501. See legal description below that identifies the landfill location on the McAlester Army Ammunition Plant.*

Activities to be regulated if the application is approved: The McAlester Army Ammunition Plant currently operates a Non-Hazardous Industrial Waste trench landfill that receives approximately 150-250 tons of waste per month. The McAlester Army Ammunition Plant is requesting a permit modification to convert the trench landfill to a vertical landfill that will expand the capacity by approximately 119 years. Construction activities will include a new storm water pond and storm water drainage channels around the landfill area to direct storm water to the storm water pond. A borrow area located on the McAlester Army Ammunition Plant near the landfill will be utilized for cover material. The proposed permit boundary will be expanded to include the borrow area, but there will be no lateral increase in the waste footprint. No variances or changes to the waste type are proposed as part of this permit modification.

Statutes and Rules: DEQ will review the application for compliance with the Environmental Quality Code, including the Solid Waste Management Act, Title 27A of Oklahoma Statutes, Section 2-10-101, *et seq.*, and the rules of the DEQ, Oklahoma Administrative Code, Title 252, Chapters 4 and 515.

Permitting procedures explained: Opportunities for public comment on this application will begin when notice is given that DEQ has completed its review of the application and has prepared either a draft permit or a draft denial. At that time, written comments may be sent and a public meeting for oral comments may be requested. The application may be reviewed at the locations listed below and may be revised by the applicant as the DEQ review progresses.

Locations where application may be reviewed:

1. Locally at the McAlester Public Library 401 N 2nd St, McAlester, OK 74501.
2. DEQ's Central Records, located on the 2nd floor of the DEQ building at 707 N. Robinson, Oklahoma City, Oklahoma.

3. DEQ's website at <https://www.deq.ok.gov/land-protection-division/permit-public-participation-process/>.

For more information, contact:

1. For applicant: Jarrod Thomas, McAlester Army Ammunition Plant Environmental Management Office 918-420-6551.
2. For DEQ: Hillary Young, DEQ, Land Protection Division, P. O. Box 1677, Oklahoma City, OK 73101-1677; (405) 702-5100; Fax No. (405) 702-5101.

***Legal description of site:** Commencing at the iron pin with coordinates N. 533302.788, E. 2572772.088, based on the Oklahoma South Zone State Plane Coordinates (3502), said pin located at the intersection of Ashland Road and Road B near the southeast corner of Section 25, Township 4 North, Range 12 East, I.M., Pittsburg County, Oklahoma; thence N. 5°59'01" W. a Distance of 15.72' to a PK nail, said nail being the point of beginning:

Thence N 90°00'00" E a distance of 1682.75' to a galvanized nail;
Thence N 00°55'06" W a distance of 211.60' to an iron pin with cap;
Thence N 58°39'43" E a distance of 525.75' to an iron pin with cap;
Thence N 05°25'47" E a distance of 592.50' to an iron pin with cap;
