

PERMIT ISSUED BY THE OKLAHOMA DEPARTMENT OF ENVIRONMENTAL QUALITY

In accordance with 27A O.S. § 2-14-304(F), and effective on August 19, 2020, notice is hereby given that OK Medical Waste Disposal, LLC Medical Waste Processing Facility has been issued a new Tier III Solid Waste Permit by the Oklahoma Department of Environmental Quality (DEQ). OK Medical Waste Disposal is located on a 5-acre tract of land at 475 Neil Boulevard, Harrah, Oklahoma County, Oklahoma.

The draft permit received comments from the applicant, OK Medical Waste Disposal, LLC, which resulted in changes in the proposed permit. The public notice of the proposed permit referencing the comments from OK Medical Waste Disposal, LLC and DEQ's response to these comments was published in the *Choctaw Times* on July 15, 2020.

The final permit allows OK Medical Waste Disposal, LLC to accept, store and treat regulated medical waste to achieve microbial inactivity, as well as process medical marijuana waste, medical records, and non-hazardous pharmaceuticals for disposal. The treated waste will be transported to a permitted municipal solid waste landfill for disposal. OK Medical Waste Disposal, LLC is authorized to construct, operate, and clean close the Medical Waste Processing Facility in conformity with the Solid Waste Management Act (27A O.S. §2-10-101 et seq.) and the rules of the DEQ (Oklahoma Administrative Code Title 252, Chapters 4 and 515).

The final permit, response to comments, and all other associated documents are available for review during normal business hours at the following locations: Oklahoma Department of Environmental Quality, Central Records Office, 707 N. Robinson, Oklahoma City, OK 73102, telephone number (405) 702-1188; and on DEQ's website at <https://www.deq.ok.gov/land-protection-division/permit-public-participation-process/>. The DEQ contact person is Hillary Young, P.E., Chief Engineer, Land Protection Division, (405) 702-5100.
