

Oklahoma Used Tire Recycling Program List Handout

The Oklahoma tire recycling fee is applicable to most retail tire purchases. The following list is intended to be illustrative only and is not all-inclusive.

Fee Applicable:

- Cars and light trucks
- Motorcycles and mopeds
- School buses and automobiles owned by schools
- Tires sold to governmental agencies
- Tires sold for farm tagged motor vehicles
- Tires sold for commercial trucks, truck-tractor (semi-trucks) and trailers
- The first registration in Oklahoma of automobiles, motorcycles, mopeds or trucks, including farm tagged motor vehicles and commercial motor vehicles registered under the International Registration Plan (prorated vehicles)
- Used tires if no documentation that a fee has previously been paid (includes retreaded/recapped tires for resale)
- Tires used on implements of husbandry and agricultural equipment that are less than or equal to 72 inches in total diameter and not more than 30 inches wide.
- Semi tires that are wider than 12 inches (super singles)

Fee Not Applicable:

- All-terrain vehicles
- Off-road motorcycles
- Airplanes
- Bicycles
- Riding mowers
- Wheelbarrows
- Push mowers
- Forklifts
- Tires sold by a tire wholesaler to a retail dealer for resale
- Sales by vendors who do not have business or inventory inside Oklahoma, where the tires are delivered by common carriers.
- Off-road construction equipment
