Dear Business Owner/Operator:

Based on recent EPA Small Quantity Generator (SQGs) re-notification requirements and The DEQ's drive to modernize and streamline processes while maintaining our mission of protecting human health and the environment, we are providing the following summary:

Beginning **July 1, 2021**

- SQGs who have not yet been invoiced for the 2021 calendar year will be issued an invoice for their annual \$25 monitoring and inspection fee.
- Beginning **January 1, 2022**, in lieu of issuing invoices based on the SQG notification anniversary date, we will begin issuing invoices for the \$25 monitoring and inspection fee to all notified SQGs on a calendar year schedule.
