Subject: Systech Environmental Corp
RCRA Hazardous Waste Permit Renewal Application
Permit Number: 000025452
U.S. EPA ID No. OKR000025452

Dear Ms. Young:

On behalf of Systech Environmental Corporation (Systech), POWER Engineers, Inc. (POWER) is enclosing one hard copy and one electronic copy of the hazardous waste permit renewal application for the Systech Tulsa, Oklahoma facility located at 2701 N. 145th Ave., Tulsa, OK. Systech operates a fuel blending facility that supplies Fuel Quality Waste (FQW) to the adjacent Central Plains Cement Company for use in their kilns for energy recovery. The renewal application is for the existing waste management units, only.

If you have any questions regarding this application, please contact me at 803-496-1472 or by email at marvin.sparks@geocycle.com.

Sincerely,

A handwritten signature in blue ink that reads "Randy Sparks".
