Subject: Request for Extension for Application Deficiency Response  
Central Plains Cement Company  
RCRA Hazardous Waste Permit Renewal Application  
Permit Number: 064558703  
EPA ID No. OKD064558703

Dear Ms. Young:

On behalf of our client, Central Plains Cement Company (CPCC), POWER Engineers, Inc. is submitting this request for an extension for preparing revisions the RCRA permit renewal application requested in your letter dated February 1, 2022. We are requesting an extension until March 31, 2022. The additional time is necessary to ensure completeness of the responses to the deficiencies listed in your letter and to submit a Tier 1 modification to the permit that will incorporate some of the sections that will be part of the deficiency letter response.

If you have any questions regarding this request, please contact Joseph Marini, Senior Corporate Engineer for CPCC at (512) 757-1065 or at [jmarini@eaglematerials.com](mailto:jmarini@eaglematerials.com). You may also contact me at (512) 879-6622 or at [betty.moore@powereng.com](mailto:betty.moore@powereng.com).

Sincerely,

Betty Moore, P.G.  
Sr. Consultant
