RE: Voluntary Cleanup Program Electronic Document Submittal Process

Dear Voluntary Cleanup Program Participant:

The Department of Environmental Quality continues to evaluate work flows and look for process improvements through our Leading the Way Strategic Plan (<https://www.deq.ok.gov/wp-content/uploads/deqmainresources/LeadingTheWay.pdf>).

While we are still accepting hard copies of documents via mail, more and more documents are submitted electronically. We are slightly changing our process to ensure good document tracking and response times.

Going forward please send all electronic submittals or links for download to: vcpsubmittals@deq.ok.gov. Please reference your case number and site name in the subject line of the email.

If you encounter problems please contact the program's Administrative Assistant, Sue Sparks at +1 (405) 702-5218 or elizabeth.sparks@deq.ok.gov to discuss options.

Sincerely,

A handwritten signature in blue ink that reads "Jon Reid".
