Replaced water cooler- **9**
Added approved filter- **0**
Plumbing repairs- **0**
Restricted use or Removed from service- **13**
Flushing protocols, routine- **4**
Enhanced maintenance- **0**

PARTICIPANT TESTIMONIAL

"I would like to express my appreciation for Oklahoma D.E.Q. for providing the Lead Testing in Drinking Water Program. This program will be essential in helping our water system, schools, and day cares navigate through the New Revised Lead/Copper Rule. With ODEQ's guidance our system will be able to provide the best quality water for our customers. Once again, thank you for your help."

-Jennie Woods,
Broken Bow Water Treatment Supervisor

Ms. Woods encouraged public schools in Broken Bow to get signed up for the program and assisted with sampling the facilities.

Sample Result Summary To Date

- Lead exceedance, > 15 ppb
- Lead detected, 1-15 ppb
- Not detected, < 1 ppb
