

DEQ FORM

605-R04B

November 1, 2020

Oklahoma Department of Environmental Quality
Notice of Termination (NOT)
for Stormwater Discharges Under an OPDES General Permit

Submission of this NOT form constitutes notice that the operator identified in Section II of this form no longer intends to be authorized to discharge stormwater under an OPDES General Permit. Authorization is not terminated until you are notified that all termination requirements have been met and your complete NOT has been processed by DEQ.

All necessary information must be provided on this form. See completing instructions on the back of this form.

I. Permit Information

DEQ Authorization Number: OKR _____

Reason for termination (check one only):

- A new owner or operator has taken over responsibility for the facility/site/project and has submitted a separate Notice of Intent for permit coverage.
OKR05: stormwater discharges associated with industrial activity have ceased.
OKR10: all construction activities have been completed and all other requirements, including final stabilization on all portions of the site, have been met.
OKR04: stormwater discharges associated with municipal separate storm sewer systems (MS4s) have ceased.
You obtained coverage under an individual or alternative general permit for all stormwater discharges (DEQ Permit No. OK _____).

II. Operator Information

Operator: _____ Phone: _____

Mailing Address: _____ Email: _____

City: _____ State: _____ Zip Code: _____ County: _____

III. Facility/Project/MS4 Information

Facility/Project/MS4: _____ Latitude: _____

Mailing Address: _____ Longitude: _____

City: _____ State: _____ Zip Code: _____ County: _____

IV. New Operator Information

New Operator: _____ Phone: _____

Mailing Address: _____ Email: _____

City: _____ State: _____ Zip Code: _____ County: _____

V. Certification

I certify under penalty of law that all stormwater discharges from the identified MS4 that are authorized by an OPDES general permit have been eliminated, or that I am no longer the operator of the MS4, or that I have ceased operations at the MS4. I understand that by submitting this Notice of Termination I am no longer authorized to discharge stormwater under this permit, and that discharging pollutants in stormwater to waters of the state is unlawful under the Clean Water Act and OAC 252:606-1-3(b)(3) where the discharge is not authorized by an OPDES permit. I also understand that the submission of this Notice of Termination does not release an operator from liability for any violations of this permit, the Clean Water Act, and the Oklahoma Pollution Discharge Elimination Act.

Instructions for Completing Notice of Termination (NOT) for Stormwater Discharges Under an OPDES General Permit

When To File NOT Form:

The Permittee currently covered for stormwater discharges under an OPDES General Permit, must submit an NOT within 30 days if one or more of the following conditions have been met:

- A new owner or operator has taken over responsibility for the facility/project/MS4, and has submitted a separate Notice of Intent for permit coverage.
- OKR05: stormwater discharges associated with industrial activity have ceased.
- OKR10: all construction activities have been completed and all other requirements, including final stabilization on all portions of the site, have been met.
- OKR04: stormwater discharges associated with municipal separate storm sewer systems (MS4s) have ceased.
- You obtained coverage under an individual or alternative general permit for all stormwater discharges.

I. Permit Information

Provide the current OPDES General Permit number assigned to the facility/project/MS4 identified in Section II. Indicate your Reason for submitting this NOT by checking the appropriate box. If you have obtained coverage under an individual or alternative general permit, provide the permit number.

II. Operator Information

Provide the legal name of the company, firm, public organization or any other entity that operates the facility/site/MS4 described in this NOT. Provide the operator's phone number, mailing address, and email address.

III. Facility/Project/MS4 Information

Provide the legal name of the facility/project/MS4 and complete street address, including city, county state, and ZIP code. If the facility/project/MS4 lacks a street address, indicate the general location (e.g. intersection of State Highways 74 and 34).

Provide the latitude and longitude at the entrance or center of the facility/project, or the MS4's City Hall or approximate geographical center. Latitude and longitude can be obtained online at DEQ, USGS, or by using other mapping tools.

For OKR10 permittees, you must also include an updated map that shows all disturbed areas over the course of your construction project (i.e., aerial images or general site maps with project extents marked, including stabilized areas of concrete or asphalt batch plants, equipment staging yards, stockpiles, borrow areas, wash-out areas, etc.) with this form.

IV. New Operator Information

If applicable, provide the legal name of the company, firm, public

organization or any other entity that has assumed ownership for the facility/project/MS4 described in this NOT. Provide the phone number, complete physical address including city, state, ZIP code, and email address. If there is more than one new operator, use additional sheet(s) to include all the new operators' information. For OKR10 permittees, you are required to prepare a Notification of Change of Ownership (NCO) form for each new owner and submit the NCO form to DEQ. NCO forms may be submitted at the time of change of ownership or with the NOT.

V. Certification

The NOT must be signed as follows:

For a corporation: by a responsible corporate officer. For the purpose of this Section, a responsible corporate officer means: (i) a president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions for the corporation, or (ii) the manager of one or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long-term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor, respectively; for limited liability companies (LLC), by an owner/managing member/partner;

For a municipality, state, federal, or other public facility: by either a principal executive officer or ranking elected official.

Where to File a NOT form:

Completed NOTs must be submitted to the following address:

Stormwater Unit of ECLS
Oklahoma DEQ
P.O. Box 1677
Oklahoma City, Oklahoma 73101-1677

Or fax it to: (405) 702-6226

Or email to: ecls-stormwaterpermitting@deq.ok.gov

**An unsigned or undated NOT form will not be processed
for termination of permit coverage.**
