Oklahoma Department of Environmental Quality Notice of Termination (NOT) for Stormwater Discharges Associated with Industrial Activity or Construction Activity under an OPDES General Permit

Submission of this NOT form constitutes notice that the operator identified in Section II of this form no longer intends to be authorized to discharge stormwater associated with industrial or construction activity under an OPDES Stormwater General Permit. Authorization is not terminated until you are notified that all termination requirements have been met and your complete NOT has been processed by DEQ.

All necessary information must be provided on this form. See completing instructions on the back of this form.

I. Permit Information

DEQ Authorization Number: OKR _____

Reason for Termination (check one only):

- A new owner or operator has taken over responsibility for the facility/site/project and has submitted an NOI for permit coverage.
- Stormwater discharge from industrial activity is being terminated under OKR05 permit.
- All construction activities have been completed and met all other requirements under OKR10 permit including final stabilization on all portion of the site.
- You obtained coverage under an individual or alternative general permit for all stormwater discharges.

II. Operator Information

Instructions for Completing NOT Form 606-003 for Stormwater Discharges Associated with Industrial or Construction Activity

Who May File a Notice of Termination Form

The Permittee currently covered by the OKR05 (Industrial) or OKR10 (Construction) General Permit for stormwater discharges associated with industrial or construction activity must submit a Notice of Termination (NOT) within 30 days after one or more of the following conditions have been met:

- A new owner or operator has taken over responsibility for the facility or site or project, and has submitted an NOI for permit coverage.
- Stormwater discharge from industrial activity is being terminated under the OKR05 permit.
- All construction activities have completed and met all other requirements under the OKR10 permit, including final stabilization, on all portions of the site. (See Part 3.3.2.B of the OKR10 permit for specific requirement on final stabilization).
- You obtained coverage under an individual or alternative general permit for all discharges.

You must meet all of the termination requirements of the general permit prior to submitting the NOT.

Section I. Permit Information

Provide the current OPDES General Permit number assigned to the facility or the site identified in Section II. Indicate your **Reason** for submitting this NOT by checking the appropriate box.

Section II. Operator Information

Provide the legal name of the company, firm, public organization or any other entity that operates the facility or site described in this NOT. Provide the operator's phone number, mailing address, and email address.

Section III. Facility Information

Provide the legal name of the facility or site or project and complete street address, including city, county, and ZIP code of the facility or site. If the facility or site lacks a street address, indicate the general location of the facility (e.g., Intersection of State Highways 74 and 34).

Provide the latitude and longitude at the entrance of the facility or site or the center of the construction project or site. Latitude and Longitude can be obtained online at DEQ, USGS, or by using other mapping tools.

You must also include an updated facility map or site map that shows all disturbed areas over the course of your construction/project (i.e., aerial images or general site maps with project extents marked, including stabilized areas of concrete or asphalt batch plants, equipment staging yards, stockpile, borrow areas, wash-out area, etc.) with this form.

Section IV. New Operator Information

If applicable, provide the legal name of the company, firm, public organization or any other entity that has assumed ownership for the facility or site described in this NOT. Provide phone number, complete physical address including city, state, ZIP code, and email address. If there is more than one new operator, use additional sheet(s) to include all the new operators' information.

Permittee is required to prepare and submit a Notification of Change of Ownership (NCO) form for each new owner and submit the NCO form to DEQ (see Part 2.3.3 of OKR10 for change of ownership requirement).

NCO forms may be submitted at the change of ownership or with the NOT.

Section V. Certification

The NOT form must be signed as follows:

for a corporation: by a responsible corporate officer; for the purpose of this section, a responsible corporate officer means:

a. A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation; or

b. The manager of one or more manufacturing, production or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit applications; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.;

for a limited liability company (LLC): by any member, managing or otherwise;

for a partnership: by a general partner;

for a sole proprietorship: by the proprietor (owner);

for a municipality, state, federal, or other public agency: by a principal executive officer or ranking elected official; for purposes of this section, a principal executive officer of a federal agency includes:

a. The chief executive officer of the agency; or

b. A senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency, e.g., Regional Administrator of EPA.

An unsigned or undated NOT form will not be processed for termination of permit coverage.
