

CONTRACTOR CERTIFICATION

2022 Stormwater Construction General Permit No. OKR10

(Optional; sample format)

(Name of Operator)

(Authorization Number)

(Project Name)

Contractors, builders, regular suppliers, or others (contractors) involved in construction activity who are not the operator, developer, or general contractor, and have not been issued the Stormwater Construction General Permit (CGP) authorization to discharge, execute this Contractor Certification which places the responsibility of implementing and complying with the permittee's/primary operator's Stormwater Pollution Prevention Plan (SWP3) with the contractor for any and all work performed under the authority and direction of the contractor. Furthermore, the contractor assumes responsibility to avoid or eliminate any actual or potential adverse effects upon the environment according to the SWP3, during all phases of building, construction, or delivery activity on any and all construction sites under the control and responsibility of the contractor as described in the SWP3.

1. Contractor Company Name: _____

2. Contractor Address: _____

3. Project Location: _____

(For additional addresses, attach list to this form)

4. Contractor must be thoroughly familiar with the original Notice of Intent (NOI) filed by:

_____ with the Oklahoma Department of Environmental Quality (DEQ).

(Operator Name)

Contractor must also be thoroughly familiar with, and adhere to, the Stormwater Pollution Prevention Plan (SWP3) and the Best Management Practices (BMP) on file at the following location:

The Contractor is certifying below that they assume all physical responsibility for any and all construction activities performed by the Contractor or under the direction and control of the Contractor, to avoid or eliminate any actual or potential adverse effects upon the environment pertaining to the properties listed in Item 3 above.

Certification

I certify that I understand the terms and conditions of the Oklahoma Pollutant Discharge Elimination System Act (OPDES) General Permit that authorizes stormwater discharges associated with construction activity from the construction site identified as part of this certification. I have read and understand the Permittee's/Primary Operator's NOI and SWP3, including the BMPs and other controls described pertaining to the project locations in Item 3 above. I agree that as a contractor, builder, regular supplier, or a support service company, I am responsible for installing and/or maintaining the appropriate pollution prevention measures identified in the SWP3 for my construction activities according to the agreement I have with the permittee.

Signature: _____ Title: _____
