Welcome to the Oklahoma DEQ Online Reporting System

This system currently supports the electronic submission of a limited document set for the agency. To begin, use the "Select Organization" tool on the left to select the division or section for which you would like to submit a form. Forms will be found under the DEQ group responsible for day-to-day operations of form related tasks.

Anyone requiring general application assistance can contact deqinformadmin@deq.ok.gov for help. The 'Contact Us' link in the lower left will direct correspondence to this group.

Check this site frequently for new reporting options.

Additional Permissions (optional)

Your new account is almost ready to go. While we finish up registration, you can optionally add additional permissions for your account.

Enable electronic signatures

Some forms will require signatures before they can be submitted. Providing a digital (electronic) signature is the fastest and easiest way to do this.

To enable electronic signatures for your account, you will need to follow a few short steps to **verify your identity**.

Enable Electronic Signatures
You will be asked to verify your identity with Oklahoma DEQ.

Skip
You can add this permission later at any time, by choosing the option inside your User Profile.

You will need to answer all 5 challenge questions and click **Save & Continue** (*once you've saved your answers, they cannot be changed without contacting Oklahoma DEQ).

The screenshot shows the OEQ nForm interface. At the top, the OEQ logo and "Oklahoma DEQ Home" are on the left, and navigation links (Home, Finder, My Submissions, Help) and a user profile (Keri Jernigan) are on the right. The main header displays the form title "NOI for Construction Stormwater Discharges under OKR10" with a help icon, and a "Calculated Fee Computed at Payment" badge. A "Last saved a few seconds ago" message and a "SAVE PROGRESS" button are on the right. A vertical sidebar on the left lists the form sections: Operator, Site / Project Information, Discharge Information (New) (marked with a '1'), Pollution Prevention Plan, Review, and Signing (highlighted with a dark circle). The main content area shows a "PREVIOUS SECTION Review" button with an upward arrow. Below this, the "Signing" section is titled, followed by a step indicator "1 Choose Signers". The question "Who will be signing this form?" is followed by two radio button options: "Me" and "Someone else". A "Finish Later" link is at the bottom of the main content area.

The form can be completed later by selecting the draft in My Dashboard option at the top of the screen.

 All 4 final questions will need to be verified, along with the password and a security question, to complete the signature and submission.

The screenshot shows a web application interface for signing a document. On the left, a vertical progress bar lists the steps: Operator, Site / Project Information, Discharge Information (New), Pollution Prevention Plan, Review, and Signing. The 'Signing' step is currently active. The main content area contains four verification questions, each with a checked checkbox:

- ☒ I am the owner of the account used to perform the electronic submission and signature.
- ☒ I have the authority to submit the data on behalf of the facility I am representing.
- ☒ I agree that providing the account credentials to sign the submission document constitutes an electronic signature equivalent to my written signature.
- ☒ I have reviewed the electronic form being submitted in its entirety, and agree to the validity and accuracy of the information contained within it to the best of my knowledge.

Below the questions is a caution message: *Caution: 5 unsuccessful attempts will result in your account being locked.*
